

SETTING STANDARDS FOR THE FUTURE OF TRADE: EURO CIS 2019.

In the trade sector, all signs point to the future and to progress. To digitalisation, individualisation and new, revolutionary technologies. To being more precise, more efficient, with more speed. And more safety.

EuroCIS 2019 presents concrete concepts for the trade of tomorrow and beyond. Pioneering ideas to drive businesses. Trends, inventions and solutions for today – and for the future.

The whole world of retail technology. That's EuroCIS. A place where the essential is everything. An event that grows more successful with each year – as the leading trade fair for retail technology in Europe.

OUR EXHIBITORS SET STANDARDS – WITH HIGHLY SPECIALISED DEVELOPMENTS AND SOLUTIONS:

- Omni-channel management
- Business analytics/Big data
- Payment systems
- Cash management
- E-commerce/E-business solutions
- ERP/Supply chain management
- Mobile solutions & technologies
- POS software/hardware
- Checkout management
